E: Ellie.Guest@Listgrove.com

Ellie is CIPD and degree qualified and offers extensive experience of providing recruitment and HR support to international clients. A skilled resourcing professional and practitioner in both Psychometric and Competency based interviewing, Ellie has been completing demanding projects across the globe for over 5 years.

Proven track record of working across sectors, segments and levels and delivering the right business solutions whilst engaging and partnering teams and stakeholders. Excellent relationship builder and project manager with a solution orientated focus.

“I have had the pleasure of working alongside Ellie Guest at Listgrove on several occasions, over the past two years, on recruitment campaigns for various roles. Ellie has always excelled in her service and with all areas of recruitment. She is efficient, professional and has always provided Fluorocarbon with high calibre candidates.” HR Coordinator, Fluorocarbon
